According to YHWH, it is those who entice others to follow another Power, who deserve death (Devarim). YHWH explicitly allows child brides (Devarim 22 verse 28, greek, archaic ancient hebrew, latin (see attached)). Money was invented for paying the bride price for young virgin girls. (Sumerian Cuneiform tablets), and for appropriating grain to the army. In the Sumerian law the price if a man raped a girl was 40 pieces of silver. In YHWH's law the price if a man raped a young virgin girl child in her fathers house, should she not be promised to another yet, was 50 pieces of silver (hebrew) 20 double pieces of the currency (greek)

silver (hebrew), 20 double-pieces of the currency (greek).

Since you entice us to follow a Power that bans what YHWH allows; clearly you are enticing us to follow another Power, other than YHWH. Thus the prohibition against your life applies according to YHWH's law (Devarim).

This also goes for when you cite the New Testament's "abrogation" of YHWH's law ("BETTER A MILLSTONE") etc.
